## RULES

Quiz consists of 121 questions, divided into 11 categories with 11 questions, intended to play over 60 minutes. If not indicated, for the answers that require a name, surname is enough. Wrong name, regardless of the correct surname makes the answer incorrect. Pictures can be found at the end of the quiz.

Results of all categories add up to the final score, while the score of every category is marked as well. At the end of the season (when 8 out of 11 rounds are counted), three best quizzers in every category, as well as three best quizzers overall will be rewarded at "Memorijal Mirka Miočića" in Zadar. As a special category, the best quizzer aged 23 or younger at the end of the season will be rewarded as well.
